

Beacon Elementary School

Here Is WHY Your Child Should Attend Beacon Elementary School

At Beacon Elementary School

Every Child, Every Day

Ready to Teach, Ready to Learn

WE specialize in providing students with an exceptional early childhood education. The curriculum is designed to meet the academic needs of the whole child through literacy and numeracy. With small class sizes, Beacon Elementary offers OUR students the individual attention which includes:

- core subject classes in the areas of reading, writing, math, and science
- physical education classes
- music classes
- art classes
- computer classes

Science, technology, engineering, art, and math (STEAM) Students participate weekly in a hands-on, inquiry based science investigation.

Foreign language classes Students explore other cultures and are introduced to world languages.

1-to-1 Technology Beacon Elementary School classrooms are equipped with the latest instructional technology. In addition, hand-held devices are provided for all students at all grade levels.

WE offer the Great Start Readiness Program (GSRP) and Early Childhood Developmental Delays (ECDD)

The GSRP program is available to students:

- who are age 4 by September 1, 2018
- full-day sessions are offered four days per week

ECDD classes are open to children:

- who are age 3 and 4 years of age
- who have an identified or suspected disability
- half-day programs are available and are offered five days per week

After-school activities and clubs provide enrichment opportunities for students

- intramural sports
- Instructional support sessions (tutoring and mentoring)
- *Playworks*—structured afterschool play sessions and sports programs

Beacon provides latchkey services Before and after-school childcare.
