March 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Harper Woods School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact David Rabbideau, Assistant Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site < <http://bit.ly/2IpRLeA> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

School Name	Status Label	Key Initiative to Accelerate Achievement
Beacon Elementary	No Label	Focus on Literacy and Mathematics
Tyrone Elementary	No Label	Focus on Literacy and Mathematics
Harper Woods Middle School	ATS	Focus on Literacy and Mathematics
Harper Woods High School	No Label	Focus on Literacy, Mathematics, College and Career Readiness, and Entrepreneurial Skills.

Harper Woods Public Schools is changing the face of education by offering unparalleled opportunities for all students. From our very youngest scholars to those who are leaving us to change the world either by furthering the education at

a college or using the career credentials they earned while our student, we are so proud of the talent, drive, and dedication they exhibit each and every day.

A Harper Woods education means that your student will have the opportunity to enroll in an International Baccalaureate program, be immersed in a world language as early as Kindergarten, receive a rigorous High School Diploma, an associate degree, multiple career certifications in a variety of fields, and enter the post high school world entrepreneurial prepared.

We are focusing on empowering our teachers to provide the best instruction in Literacy and Numeracy. We are empowering our parents and caregivers through our Parent Universities. We are empowering our staff by creating systems and procedures that leverage the talents of each member of our team. WE have created a whole new world in education and invite you to come see what a Harper Woods Education can do for you and your family.

Sincerely,

Steven McGhee
Superintendent
