

Tyrone Elementary School

Here Is WHY Your Child Should Attend Tyrone Elementary School

At Tyrone Elementary School it is expected that ALL students and staff be their: Personal Best. Every Day. All the Time. No Excuses! OUR focus is to support 3rd, 4th, and 5th grade students to achieve academically, socially and globally. WE promote a safe, secure, and supportive learning environment which encourages students to respect others, set high expectations, and act responsibly.

Through our STEM (Science, Technology, Engineering and Math) curriculum, students work on a series of activities which includes:

- researching a problem
- using inquiry-based thinking
- brainstorming solutions to problems
- designing and creating a solution
- completing hands-on investigations

Students are able to demonstrate their understanding of scientific concepts to solve real-world problems.

1-to-1 Technology Tyrone Elementary School classrooms are equipped with the latest instructional technology. Hand-held devices are provided for ALL students throughout the school day.

WE meet the learning needs of 3rd, 4th, and 5th grade students in ALL academic areas Our program includes:

- reading, language arts, math, science, and social studies
- music, band, physical education, and computer technology
- Project Based Learning
- writing across the curriculum
- foreign language

Tyrone Elementary introduces students to the world of Fine and Performing Arts. Students participate in weekly music classes. Students in fifth grade may choose to join Band. The Music Department also offers an after-school choir program for 4th and 5th grade students.

After-school activities and clubs provide enrichment opportunities for students:

- tutoring and homework support sessions
- intramural sports
- clubs include; Choir, Lego Robotics, *Stride* and *Girls on the Run*/Mentoring, SWAT Team, Sewing, Safety Patrol, Drama, Green Team and so much more

Childcare services: Tyrone Elementary provides AM and PM after-school childcare.
