

Chartwells Foodservice will once again be providing a free grab and go breakfast at Beacon Elementary School, in the classroom each morning, for every student. Please have your child in the classroom on time to ensure he or she has time to eat before class starts. Breakfast at Beacon is served school days in the classroom

@ 8:15 AM

BENEFITS OF BREAKFAST

Eating breakfast Can help improve math, reading and standardize test scores.

Eating breakfast as a child is important for establishing healthy habits for later in life.

*Beacon Elementary School
19475 Beaconsfield
Harper Woods, MI 48225*

Schools that provide breakfast in the classroom to all students have shown decreases in tardiness and Suspensions as well as improved student behavior and attentiveness
