

Bids Requested

The Harper Woods School District is seeking preliminary bids for A/C in the Middle School, as specified below:

- Middle School A/C system by doing each room individually or doing entire building (Approximately 50,000 square feet), whatever is most feasible and financially sound – New A/C fixtures and installation to provide cooling to the current 65 year old building, which only has heating system.
- Approximately Thirty rooms (30) need to be air cooled.
- An inspection of the system is permitted with an appointment, prior to submitting the bid.

This project is expected to be done before school starts in September 2021.
