

March 23, 2020

Good Afternoon Harper Woods Family,

As we continue to diligently work through this time of crisis, I want to thank you all for your willingness to continue our academic integrity in fulfilling our District's mission, vision and belief of "*Excellent Above All.*" Continue to monitor your Google Classrooms assignments and work through your homework packets. Please continue to support questions from students and parents throughout this process. Remember we **MUST** target and support the Harper Woods School District's transition with online lessons that are meaningful and aligned with the office of MDE.

The District will honor the **SPRING BREAK** schedule that begins on Monday, April 6 and ends Friday, April 10, 2020. I will continue to update district staff, parents, students and community with information as I am informed by our Governor's office. Please stay safe and healthy at home. If you have any further questions or concerns, please view the following communications: **District's website, emails and social media.**

Educationally yours,

Mr. Steven McGhee
Superintendent
